GIRLS GLEE CLUB

A line up of girls which blocked the assembly hall door and that of the music room, was the result of the Girls Glee Club tryout early Tuesday Morning.

The girls were admitted one by one and many fair voices rippled and trilled over the familiar notes of "Auld Lang Syne", as Miss Miller tested each voice. There seems to be a fairly good selection of voices.

Those who have made the Glee Club are: Beulah Waddell, Sarah Thiede, Elsie Wilhite, Truth Piele, Elcie Loveland, Donna Brown, Rosalyn Ripley, Dortha Pearce, Mary Hannaford, Margueritte Marshall, Vivian Hannaford, Dorothy Coy, Myrtle Rigsby, Sybil Castor, Mildred Bellows, Norma Piele, Dorothy Wilhite, and Margaret Brophy.

STUDENT BODY MEETINGS

The Volley Ball Tournament has been the big issue of the last two Student Body Meetings. The ball was purchased by Mr. Davies. Mr. Haan and Mr. Davies have selected the captains and have arranged the teams.

HIGH SCHOOL GIRLS! SOME FUN!

LARGER ATTENDANCE AT P. T. A.

Word was received from the county secretary about the meeting in Grants Pass of the state P. T. A. and in Medford of the county P. T. A. Mrs. Barnes and Mrs. Caster were elected as delegates to attend the county meeting at Medford.

It was decided that the P. T. A. have water piped to the upstairs of the old building for use in serving hot lunches this winter.

SCHOOL SPIRIT

Every place, where there is a group of students associated together, there are a few dead heads, sleep walkers, and pupils troubled with laziness. Sad to say, Eagle Point is no exception, in fact, I'm afraid we have added dreamers, and students who have the habit of being paralyzed, every time they are asked to do some simple task. Come on, you so called "students" let's get the old School Spirit.

A dead school is just what we make it. Surprise every one and at least look awake if we are half asleep. Yell when you are supposed to, instead of heaving faint sighs and loud groans. Turn out for all athletics and give these supposed athletes some good competition. Make our Student Body President wish she was any where else, but in the assembly hall. Also give our Secretary something to do. Show these brilliant students who do all the talking that they aren't the only catty ones in school.

Why not turn out for school activities? You might surprise yourself.

HOT CERCAL CONTEST

Miss Aitken's room has finished the Hot Cercal Contest which they have been carrying on for the past four weeks. Each pupil's duty was to eat a hot cercal five mornings of the week, which everyone has been careful to do. A reward was offered to each successful room and these pupils have chosen a picture of a boy with a rabbit.

TOURNAMENT TEAMS SELECTED

Under the able supervision of Mr. Davies and Mr. Haan, the volley ball question has been very successfully settled. Those who have expressed such a desire for some active pastime will have this desire filled by a snappy volley ball tournament.

There are six teams under the leaderships of, Mary Han-naford, John Medley, Kirch Peile, Walter Davis, Henry Wall and Donald Young. The teams are composed of the High and Jr. Hi students. The first game is eagerly looked forward to by the students be-cause it marks the first entrance of volley ball games in the Eagle Point, schools.

The tournament is to be held just between the school teams. Watch for the announcements of the games and practice schedules.
